Alligators are subject to CITES controls to ensure that they survive in the wild. The items we offer are from alligator farms in the U.S. where the animals are raised for meat or have been harvested in the wild under predator-control permits. The alligators were not killed just for their claws, teeth, skulls, etc. The skulls, claws, teeth, and feet have been professionally cleaned and preserved. Subject to CITES. Not available for export due to the inability to trace each tooth or item to the specific alligator permit. (*Alligator mississippiensis, wild*).
